Spring is here or almost here.

As usual we are busy around the Healthy Living Center. This year we have a new project started. Northeastern Indian Health Clinic, The Shawnee Tribe, and the Wellness Center have joined with us at Healthy Living Center to put in a Community Garden. If you are over 55 or have diabetes, High Blood Pressure, Heart Disease or on Social Security for disability you are invited to join with us in the garden. If you think you would like to partake in this project please call Alta McKee at 918-540-2377 to find out more about this special project and how it works.
