

My name is Patricia Marie Medlin, You can call me Tricia. I'm excited to announce I'm running for the office of Grievance County Member. A little about myself; I am the great - great -grand daughter of Chief Joseph B. King. I have been married to my husband John Medlin for 31 years and we have 2 boys Austin and Andrew. My family has always has been very interested in and proud of their Ottawa heritage. I am a 2019 graduate of Ottawa University where I earned Cum Laude honors while achieving my Bachelor of History degree. The Ottawa's have given so much to me from my schooling at Ottawa University to financial assistance for clothing and food stuffs when my children were younger. As a tribal member, I was honored to receive the assistance of the tribe and proud of their efforts to assist tribal members during the current COVID crisis. I am hoping with this position I may be able to serve the tribe and its members with the same level of support, encouragement, and opportunity that the tribe has given me and my family.

Thank You,

Tricia Medlin
